God's plan to evangelize the world should excite us because each of us was saved by way of this plan. Since Jesus gave the church His commission to go to every nation, He has supplied the sower with everything needed so that those who would hear might receive His Son, Jesus.

As we look to our Faith Promise Missions Conference we are not asking for a specific amount of money. We are asking that every individual or couple, by way of prayer, ask God how and how much they can give. Then, over the course of the coming year, they will be faithful to give that which they have promised.

Will you commit to being at the conference every night possible? Will you commit to open your heart to God's Word as Bro. Godfrey preaches on missions?

We all have role and responsibility in God's plan to evangelize the world. Let's seek God together to see how we can each be used.

## God's Plan to Evangelize the World

2 Cor. 9:10-12

As we continue to prepare for our missions conference, this morning we will discover God's plan to evangelize the world with the Gospel of Jesus Christ.

Each of us has a role and the responsibility to preach the Gospel of Jesus Christ to every creature. But how do accomplish this great task? Does God have plan? Does He have a way for us to a witness to the uttermost part of the world?

This morning, we will learn three considerations of how the Lord uses the church to evangelize the world and how every Believer can and should be involved in God's plan.

## God's Plan to Evangelize the World

### **I: The \_\_\_\_\_ in Evangelizing the World: v10**

God's plan to evangelize the world involves both primary and secondary roles.

A. the \_\_\_\_\_

*Minister means supplier to the missionary*

1. \_\_\_\_\_ is the primary supplier of everything
  2. The \_\_\_\_\_ is the secondary supplier to the missionary
  3. The \_\_\_\_\_ is the secondary supplier to his mission field
- 
- 

B. the \_\_\_\_\_

To "sow" is to scatter.

1. the \_\_\_\_\_ is the primary sower  
NOTE: Biblical pattern is for churches to send out missionaries
  2. the \_\_\_\_\_ is the secondary sower to the mission field
- 
- 

C. the \_\_\_\_\_

All human involvement are primary receivers.

1. the lost are primary receivers of \_\_\_\_\_
2. the church is primary because it sees the Kingdom of God \_\_\_\_\_
3. the missionary is primary because it experiences \_\_\_\_\_ and the \_\_\_\_\_ to duplicate itself through people getting saved.

Everyone has a role in God's plan to evangelize. Your role is either to go or to support those who can go.

## God's Plan to Evangelize the World

### **II: The \_\_\_\_\_ for Evangelizing the World: v6-9**

The context of this passage is not the tithe but rather helping others outside the walls of their local church, specifically missions. God's plan for missions is structured and organized.

A. the \_\_\_\_\_ of sowing and reaping: Gal. 6:7

This principle applies to ALL areas of life, including missions.

---

---

B. the \_\_\_\_\_ of the heart  
*purposeth means to choose for oneself.*

This doesn't apply to the tithe because God established the tithe at ten percent. This applies to offerings and missions as the Lord directs and purposes our heart.

---

---

C. a \_\_\_\_\_ attitude

God is most interested in our attitude for souls. He desires a cheerful giver. If a Christian cannot be cheerful in their contributions to seeing the lost save they should not give.

---

---

---

### **III: The \_\_\_\_\_ from Evangelizing the World**

Our natural response to giving something of value is to think or ask ..."what's in it for me". While just being part of God's plan should be satisfying enough there are three benefits for every Believer.

A. \_\_\_\_\_ : **v11**
