### III: The \_\_\_\_\_ of My America

Why are we not currently experiencing right now the same blessings that we have in the past?

A. the \_\_\_\_\_ for America's moral decay

My America is guilty of many sins but it is only because her people have strayed from God. And our moral decay is the same as every other nation and people because of personal sin, division, pride, and selfishness.

B. the \_\_\_\_\_ of America's moral decay

  - ingratitude
  - greed

C. the \_\_\_\_\_ of America's moral decay

Every American sees and lives with the results of the moral decay in our nation every day! And unless something is done it will only get worse.

D. our \_\_\_\_\_ to America's moral decay

If *OUR* America is to continue in God's blessing, then for God's sake, our country's sake, our kids' sake, and for our future generations sake, we need to shake off our indifference, repent of our sin, thank God for what he's given to us, and then get busy with the Lord's business. We need to beg God for revival and to beg and allow God to first do a work in us so that we can do His work in the our communities.

Our America is better than what she has become! 2 Chron. 7:14 ***If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.***

## My America

Ps. 33:12

Psalm 33 is thought to be written by David and in v12, David is reflecting on his own heritage. He was of the nation of Israel whose God was Jehovah. And he was of the nation that God had personally chosen as His own special people and inheritance.

And even though the direct context isn't written to America or even Christians, the principle found in v12 does apply to us.

And so, in keeping with the same theme this morning—just as David was speaking of His Israel, I want to share with you a few things about ... My America.

B. our form of \_\_\_\_\_ is magnificent

America's government is under constant attack to change by those who hate freedom. Found within the Constitution is the freedom of speech, freedom of the press, religious freedoms, and the right to bear arms. ## My America

### II: The \_\_\_\_\_ of My America

The majesty of my America has never been a royal family, a president, a politician, or a professional athlete or musician. No, the Majesty of my America is the world's greatest Preacher, Jesus Christ and His principles and standards found in the Bible.

America's Majesty is ...

A. the \_\_\_\_\_ of America: Col. 1:16  
*"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."* - Declaration of Independence

B. America's \_\_\_\_\_: Acts 10:42  
In my America. you have been given free will to reject Christ, to live a life absent of glorifying Him, absent His presence in your life, and a life absent His blessing. But understand, He **which was ordained of God**, that is to say Jesus Christ, will be *the Judge of the quick and the dead.*

C. America's \_\_\_\_\_: Phil. 4:19  
Our founding father's understood that our inalienable rights came from God, not man.

D. America's \_\_\_\_\_ standard for living: Hab. 2:4  
The moral character of our nation did not come by God being absent in the hearts of men, but rather it came from Jesus being present in the hearts of men.

My America has experienced innumerable blessings in her history because Christ, His Word and His principles have served as our Majesty Supreme!
